

# TalentPower

## Selection Process

### Recruiting

Talent Power will recruit personnel abroad.

### Testing

We apply medical and psychometric tests and police background check.

### Training

We train them in the English language, roofing skills and Canadian driving test.

## Why choose us?

We offer qualified personnel and assist them in the process of incorporation into the country. We have the experience in integration projects of more than 7,000 employees in manufacturing companies and others fields, mostly managing working groups.

## Benefits

- Have always the best staff.
- Workforce guaranteed, sick, leaves, maternity vacations, absenteeism.
- Zero staffing and administration functions for our clients.

We cover the GTHA  
(Greater Toronto  
and Hamilton Area).

# Areas of expertise

## Electricians

Our professionals are able to install and maintain electrical services, such as lighting, electricity and heating.

## Chefs

Masters in the field, with a lot of experience and knowledge of the secrets of the kitchen

## Plumbers

They install and repair drinking water installations, non-potable water and the collection of rainwater and wastewater.

## Industrial Technicians

Trained personnel for production areas and techniques. Management and control, area of the supply chain, and logistics.

## Welders

The activities of the welders are for the most part in structures.

## Metal Roofers

Concentrated and trained personnel for metal installations, roof systems made of metal parts or tiles of high strength.

## Glaziers

Expert glaziers for cutting, installing and removing glass and materials used as substitutes for glass.
